Amazing Birds and Mega-fauna Adventures in Botswana, Africa

Tuesday November 24th at 7:00 pm
Kīlauea Visitor Center Auditorium

The vast expanse of the Kalahari Desert is punctured at its heart by the Okavango River, forming the largest inland delta in the world. These waterways and wetlands support one of the most amazing collections of birds, bugs and brawling beasts on our planet! Join **park ranger Jay Robinson** and **biologist Jack Jeffrey** on a fun-filled photo safari through the National Parks and World Heritage Site of northern Botswana. We'll end our adventure at one of the seven wonders of the natural world, Victoria Falls, in nearby Zimbabwe.

Program co-sponsored by Friends of Hawai'i Volcanoes National Park. For information, call (808) 985-6011.

Your \$2.00 donation helps to support Park programs. Park Entrance Fees Apply.
